We do not need to see your Operations Manuals. However, the Association does need to verify that an Operations Manual does exist where the Franchise Agreement requires it (there would be few franchises where an Operations Manual would not be required). Manuals may be printed, electronic or a combination of both. Verification can be provided in any acceptable way, such as by a letter from your solicitor, accountant or franchise consultant certifying that there is an Operations Manual for the Franchise, or by submission of a copy of the Contents page plus a certificate by a suitable independent person as to the existence of the materials referred to in the Contents.
